CEO’s affiliation. CEO is affiliated solely with the Body of Christ. CEO is not aligned with any specific Christian denomination – our members constitute a wide range of Christian evangelical believers.

Definition of a “Christian”. Christians are those who believe and trust Jesus Christ as God’s only Son, have received Him as their personal Lord and Savior and hold to the Bible as being God’s final written, inerrant revelation for instructing mankind in the knowledge of God and his will for our lives. See the CEO statement of faith on the website for more information.

Membership. Members are committed evangelical Christian men in the San Diego business community. Our members include business leaders and professionals from all business sectors and levels. By submitting an application a new member agrees with the CEO statement of faith and agrees to be actively involved in the group by helping with some aspect of the group through the Board, a committee, mentoring, and/or general administrative help. New members must be sponsored by a CEO member in good standing and must be approved by the membership committee.

Membership costs are listed in the Membership Application below. Membership is one year from the month the member joins. If a member joins at a meeting, that meeting is included in their membership. If a member joins after a meeting, the next meeting is the first included in their membership. The first day of the month is used as the start of membership. The CEO fiscal year is from January 1 through December 31.

Meetings. Large group breakfast (or lunch) meetings are 6 times per year every second month, as noted on the website, for members and visitors. Alternating months are small discussion groups 5 times per year for members only in a teleconference, video conference, webinar, or in person group venue.
